The Outer Ring of Israel's Enemies

This outer ring is composed of Russia, east Turkey, Iran, Sudan/Ethiopia and Libya as listed in Ezekiel 38. The inner ring of Israel's belligerent neighbours (also shown on this map) are not featured in Ezekiel 38. God will have dealt with them when the Gogian invasion of the mountains of Israel occurs.

Brexit, Europe and the Vatican

Caution: Many are waiting to see the sign of Jesus' return as when Russia comes to take Jerusalem. That is going to happen, BUT Jesus will be back by then!:

He thinks maybe 10 years (???):

Return of Jesus Christ

Peace and Safety

Elijah

Gog forces invade Israel

Jerusalem taken & Jews scattered

Armageddon (religious crusade? or take a spoil?)

Then, after 40 years (???)

Jews accept Jesus as Messiah

Kingdom established

Jews regathered

War in Europe

40 years + 10 years = 50 years - a Jubilee period. Leviticus 23: 24, 27.

Back then: a sabbath, trumpets, holy convocation, 10 days later day of Atonement

Future application: Resurrection, gathering of saints, 10 days later salvation of Israel

(Atonement).

So, don't look for invasion of Israel, rather the arrival of Jesus Christ the Messiah.
